The Interact Club is mainly a service organization that works in cooperation with the Luray Rotary Club. Each individual is chosen and elected to be a member of this club in regard to character, academic achievement, and leadership potential. Some of their projects this year were erecting directional signs to L.H.S., placing name plates on the hall clocks, a successful raffle, performing an international project with a club in New Zealand, the presentation of various donations, and other similar projects. During the Christmas break the members attended an NBA basketball game in Baltimore.

A Christmas party was held in place of the regular meeting and gifts were exchanged between members. For Easter the club decorated eggs for the mentally retarded children.

The Annual Staff has worked hard all year to try and capture a total picture of all school activities. On occasions the camera will act up and pictures we think we have are not. So we apologize if we missed one of your favorite scenes or activity. In fact, we missed having a picture of the annual staff. We hope you enjoy the 1970 Highland.

## 1969 FOOTBALL SCHEDULE

Sept. 12 – Warren County

Sept. 19 – Central

Sept. 26 – Elkton

Oct. 3 – Stonewall

Oct. 17 – Broadway

Oct. 24 – Page County

Oct. 31 – Strasburg

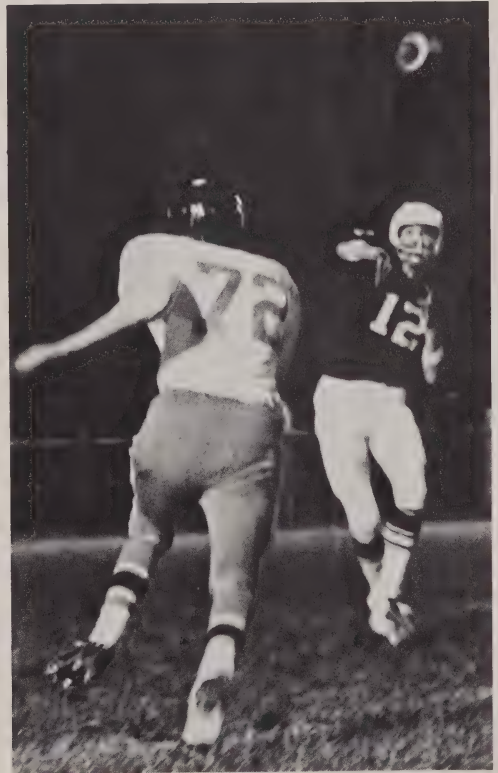

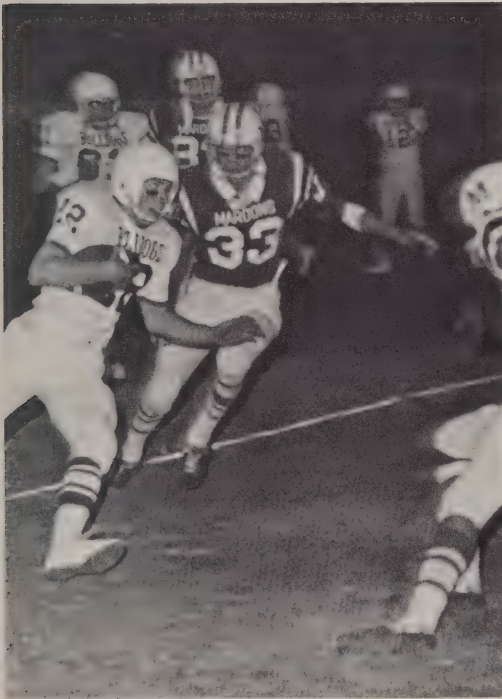

Nov. 7 – Wilson Memorial

Nov. 14 – Turner Ashby

The 1969 football team compiled a record of 3-4-3. However, this record was deceptive, due to injuries to the key player mid-way through the season. The Dogs stopped Broadway's 14 game winning streak by tying 20-20 in the last 8 seconds of the game! For Homecoming the Dogs played Montevideo. Many people felt this was the areas best played game. It was "THE" game of the football season. This year's team displayed the greatest passing game in district history, featuring two time all district quarterback, Jim Logan, all state Bobby Brown, and a superb pass blocking line.

The J.V. football team, under the coaching of Claude Crawford and Rick Johnson, captured the district championship. The team was one of the smallest in Luray High history, but the boys lived up to their name as "ironmen" and were true champions. Many players will return next year and another J.V. football championship may come to LHS.

MANAGERS

In the second year of girls basketball at LHS, the girls compiled a record of 4-5. Under the coaching of Miss Bell the girls took third place in the tournament held at Luray High between Stonewall, Central, Page and Luray. The team has a very bright future ahead with many girls returning from the team and some moving up from the J.V. team.

The girls JV basketball team took the 1969-70 championship with a record of 8-1. This year's squad was a hustling team and showed some good shooting. Most of the players will be returning next year under the coaching of Miss Bell. So, good luck girls, bring another championship to LHS.

The Luray High varsity basketball team was the only undefeated basketball team in the state of Virginia for the 1969-70 season. After defeating all district 10 opponents in the regular season and then defeating Strasburg, Broadway and Montevideo for the district championship, the Bulldogs went on to the state level. At Charlottesville the Bulldogs defeated Parkview, Castlewood and Hayden for the State Group II championship. Behind the great coaching of Chick Crawford and the hard work and determination of the boys, the Luray Bulldogs are now known as "statesmen."

The 1969-70 J.V. basketball team gave the Bulldog fans many close and exciting games during the season. Under the coaching of Doug Jennings, the Bullpups displayed strength in rebounding and defense. The team will lose many good players this year, but the remaining players and those players from the eighth grade team show promise in another good season.

8th grade basketball is sport which is greatly overlooked at LHS. The 1969-70 team had a new coach in Bill Ingram and the boys had a good season. There was great potential in these boys. Stuart Yowell, Steve Allen and many others proved that they will develop into top notch athletes. This team also showed spirit and determination like the JV and varsity teams. The 8th grade team is as important as all other teams and it too deserves the support of the student body. These players of LHS will be the future varsity teams and they too will carry the name Bulldogs with pride.

Those girls returning to the squad next year are Melanie Mauck, Shelia Brown and Starr Robinson.

The Luray High varsity baseball team placed third in a very strong district during the 1969-70 season. Behind good coaching, an experienced infield and a great pitching staff, the boys were able to end the 40 game winning streak of TA. The team showed great spirit and determination as it proved itself a hard team to beat. Jim Logan and Bruce Fears also brought honor to the team as they were chosen for the all district team.
